### **Sherwood Systems Earns Microsoft Business Solutions President's Club Recognition**

Phoenix, AZ, USA — July, 19, 2006 **Sherwood Systems** recently received recognition from Microsoft for outstanding customer commitment and sales achievement and was named to the Microsoft® Business Solutions President's Club. This recognition honors Business Solutions reselling partners whose commitment to customers is reflected in their business performance and high level of sales achievement and customer satisfaction.

"We are very pleased to be named to President's Club for the 10th year in a row. This recognition from Microsoft clearly demonstrates our commitment to our customers and their continuing success." said Pauline Zorz, General Manager.

"Microsoft congratulates Sherwood Systems on achieving President's Club status," said Microsoft Corporate Vice President, Craig McCollum. "Sherwood Systems truly understands how important customers are to Microsoft and has gone out of their way to make the customer's experience a positive one."

Sherwood Systems, Gold Certified Microsoft Partner, is a provider of business management solutions for small to midsize businesses in the Southwest and the U.S. In business since 1990, their mission is to provide clients with the best solutions for their unique business needs. Sherwood Systems team members are devoted to systems implementation, training, technical support and development. Sherwood Systems has been a Microsoft Certified Solutions Provider since 1996 and one of approximately 40 Source Code authorized Microsoft Great Plains Solution Developers.
